Section 1: Preamble

This Agreement is entered into by and between the Santa Fe County Board of County Commissioners, the Sheriff of Santa Fe County, herein referred to as the "County", and the New Mexico Coalition of Public Safety Officers on behalf of the Santa Fe County Deputy Sheriff's Association, a Chapter of the New Mexico Coalition of Public Safety Officers, herein referred to as the NMCP SO/SFCDSA."

Whereas, the County has recognized the NMCP SO/SFCDSA as the collective bargaining representative for all employees in the bargaining unit which consists of non-probationary sworn Deputies, Corporals and Sergeants of the Santa Fe County Sheriff's Office;

Whereas, the NMCP SO/SFCDSA agrees to represent those employees certified within the bargaining unit for the purpose of negotiating this Agreement without discrimination on the basis of race, color, creed, age physical or mental handicap, sex, national origin, ancestry, religion, serious medical condition, sexual orientation, gender identity, political affiliation, Association membership or non-membership; and

Whereas, the parties agree that it is the express intent of the Agreement to promote harmony, cooperation and understanding between the County and the NMCP SO/SFCDSA, to afford protection to the rights and privileges of the Board of County Commissioners ("BCC"), the Sheriff and the NMCP SO/SFCDSA, and to provide an orderly and peaceful means of resolving any misunderstanding or differences which may arise between the BCC, the Sheriff and the NMCP SO/SFCDSA, in order to provide a high standard for the performance of law enforcement services to the citizens of the County of Santa Fe; and

Whereas, the parties hereto have reached agreement on all matters which have been the subject of negotiations and desire to reduce such agreement to writing to avoid misunderstanding.

NOW THEREFORE, IT IS AGREED:

This Agreement specifically describes the entire agreement between the County and the NMCP SO/SFCDSA. The Sheriff's Office Standard Operating Procedures, the Santa Fe County Human Resources Handbook or other policies and procedures promulgated through the authority of the Sheriff, shall govern any issues not agreed to herein. Management shall meet with the NMCP SO/SFCDSA regarding changes in County policies, procedures or regulations that affect wages, hours, or terms and conditions of employment. The NMCP SO/SFCDSA may also identify alternative solutions and provide suggestions not governed by this Agreement. Meetings regarding changes to this Agreement should be held at times mutually agreed to by the parties. Any State and/or Federal statutes enacted will take precedence over the Standard Operating Procedures, Santa Fe County Human Resources Handbook, and this Agreement.

All amendments to or modifications of the subject matter of this Agreement must be by mutual agreement and shall be of no force or effect until ratified and approved by the Board of County Commissioners and the NMCP SO/SFCDSA membership. It is understood and agreed that none of the foregoing rights and responsibilities will be exercised in a manner that is inconsistent with the provisions of this Agreement.

Section 2: Management and Association Rights

- A. Policy Making – Santa Fe County and the Sheriff’s Office policy making officials reserve the rights prescribed by the County, State, and Federal Constitutions, Statutes, and Ordinances in effect during the term of this Agreement.
- B. The direction of the work force shall be controlled completely by the Sheriff or designee, except as specifically set forth in this Agreement. The County, through its Commission, the Sheriff, or County Manager shall have, but shall not be limited to the following rights:
 - 1. To direct and supervise all operations, functions, and the work of bargaining unit employees;
 - 2. To maintain the efficiency of the operations;
 - 3. To take actions as necessary to carry out the services provided by the Sheriff’s Office in emergency situations and to maintain the uninterrupted service to our citizens during such emergency situations;
 - 4. To determine what, by whom, and when, services will be provided to the citizens and determine the performance standards applicable to the provision of those services;
 - 5. The Sheriff may hire, promote, assign, transfer, retain, demote, discharge, suspend or take other disciplinary action. The Sheriff may relieve bargaining unit employees for just cause, and legitimate documented reasons only.
 - 6. To determine and implement all policies, methods, standards, and direction of bargaining unit employees that does not conflict with the terms of this Agreement, and to determine the resources to be allocated to accomplish the mission and goals of the Sheriff’s Office as a unit of County Government.
- C. NMCP SO/SFCDSA Rights
 - 1. The parties agree that the NMCP SO/SFCDSA has the right to represent the interests of the bargaining unit employees in the bargaining unit so long as that representation does not interfere with the operations of the County.
 - 2. NMCP SO/SFCDSA representatives may schedule meetings with management to discuss any matters pertaining to the collective bargaining agreement. Such meetings will not interfere with the delivery of quality services to the citizens.
 - 3. The NMCP SO/SFCDSA may provide input regarding changes in the Office’s policies, procedure, rules and regulations. Concerns regarding such changes may be addressed through the management representative responsible for implementation. If not resolved at the lower level, concerns of the NMCP SO/SFCDSA may be expressed in writing to the County Sheriff.

- D. Discrimination on the basis of NMCP SO/SFCDSA activity – there shall be no discrimination, interference, restraint or coercion by NMCP SO/SFCDSA or the County against any bargaining unit employee because of NMCP SO/SFCDSA membership, or the choice not to be a member.
- E. The County shall make available the names of new hires filling the positions that may become bargaining unit employees upon request from the Union but no more frequently than quarterly. The County shall advise new hires regarding the NMCP SO/SFCDSA during orientation.
- F. Access to Employer Information: The County shall make available to the NMCP SO/SFCDSA, upon its reasonable request, any public information, statistics and records relevant to negotiations or necessary for proper enforcement of the terms of this Agreement in accordance with provisions of the Inspection of Public Records Act of the State of New Mexico.
- G. The Union Representatives shall be afforded time without pay during normally scheduled work hours for the purpose of attending collective bargaining sessions. The Union Representatives shall be afforded accrued annual leave, accrued compensatory time, or leave without pay for any formal disciplinary or grievance proceedings. If the Employer requests the Union Representative to participate in any meeting, the Union Representative is not required to take personal leave or leave without pay. The Employer and Union shall make every effort to schedule such meetings during the Representative’s scheduled days off, or during a time which will not interfere with the normal functions of the Sheriff’s Office and a time which will not jeopardize the safety of the citizens of the County of Santa Fe.

Section 3: Agreement Copies

Each party to this Agreement shall print sufficient copies for its own use.

Section 4: Check off Authorization

- A. The Employer agrees to deduct membership dues levied by the NMCP SO/SFCDSA from the paycheck of each Bargaining Unit Employee who has executed a voluntary written authorization, not to include the payment of any initiation fees, assessments or fines levied by the NMCP SO/SFCDSA.
- B. Dues Deduction: The Employer agrees to pay all dues withheld to the NMCP SO/SFCDSA, pursuant to a valid written authorization secured by the Union and provided to Human Resources at least 30 days prior to the effective date. The effective date shall be only at the beginning of a full pay period.
- C. Non-pay Status: When a bargaining unit employee is in a non-pay status for an entire pay period no withholding will be made to cover that payroll period from future earnings. In any period, if the net wages are not sufficient to cover the full withholdings, no deduction shall be made. In this connection, all other legal and required deductions have priority over NMCP SO/SFCDSA dues.
- D. Increase in Dues: In the event that the NMCP SO/SFCDSA bargaining unit members vote to increase dues, the NMCP SO/SFCDSA will notify the Employer at least 30 working days prior to the effective date of the dues increase by a letter and by submitting new authorizations for each new bargaining unit member.

- E. Termination: A bargaining unit employee may terminate dues deduction by notifying the NMCP SO/SFCDSA and the Employer of his/her intention by means of a signed cancellation, to be submitted to the Human Resources Department. The bargaining unit employee must give 30 working days notice to the County of such intention.
- F. Indemnify: The NMCP SO/SFCDSA will indemnify, defend and hold the Employer harmless against any claims made and against any suits instituted against the Employer on account of payroll deduction of NMCP SO/SFCDSA dues. The NMCP SO/SFCDSA agrees to refund any amounts paid to it in error on account of the payroll deduction provisions as determined and documented by the employer. The County will notify the Coalition of any claims brought forward pertaining to Coalition dues.

Section 5: Bulletin Boards

- A. Space shall be designated by the County for a closed and locked bulletin board, to be furnished by the NMCP SO/SFCDSA, where the NMCP SO/SFCDSA may post its announcements. All postings are subject to the approval of the County Sheriff or designee. Nothing inflammatory, derogatory, controversial, or critical of the Sheriff, or the Department's management, shall be contained in the material that is posted. Violation of this provision may result in the loss of the privilege of having a bulletin board.
- B. NMCP SO/SFCDSA representatives will post any and all NMCP SO/SFCDSA announcements only on the bulletin board designated.
- C. This bulletin board will be locked by 2 locks; 1 supplied by each party. Each party will maintain the key to its own lock.

Section 6: Agreement Clarification

When a party seeks clarification of a term of this Agreement, the negotiating team members, or their replacements, may meet to discuss what the mutual intent of the term was at the time the Agreement was written.

Section 7: Accident Review/ Safety Committee

- A. The Sheriff shall establish a committee of 5 members to review Office accidents. The objective of this committee is to provide findings to the Sheriff to reduce accidents and provide for safer working conditions. The committee shall determine specific accidents to be reviewed and scope of review. The Committee shall consist of the following:
 - 1. The Undersheriff or designee shall serve as chairperson.
 - 2. 2 bargaining unit members, as appointed by the Representative of the NMCP SO/SFCDSA.
 - 3. 2 members of management, as appointed by the Sheriff.
- B. The committee may utilize other resources (i.e., accident reconstructionists, risk management experts, safety professionals, etc.) as it deems necessary. Third party resources may be used to

preclude any possibility of a conflict of interest involving Santa Fe County Sheriff's Office personnel.

- C. The committee will meet monthly if needed as determined by the Sheriff or his or her designee to review pending deputy involved crashes and/or safety issues as they occur.
- D. The NMCP SO/SFCDSA will receive copies of all committee recommendations.
- E. The committee will provide the employee's commanding officer with findings and classification of the accident.

SECTION 8: INSURANCE

- A. The County shall offer to the covered bargaining unit members and their eligible dependents medical, life, dental, and optical insurance in accordance with the following contributions to the cost of the insurance, as defined in NMSA 1978, Section 10-7-4.2(B):

	County's Contribution	Union Employee's Contribution
Union Employees who earn \$30,000 annually or less	80%	20%
Union Employees who earn \$30,001 to \$50,000 annually	75%	25%
Union Employees who earn more than \$50,000 annually	63%	37%

- B. Percentages may be revised to comply with state law. Medical, life, dental, and optical benefits shall be maintained for the life of this Agreement. Bargaining unit employees will pay 100% of disability insurance offered by the County.

Section 9: Uniform Safety and Staffing

Patrol commanders who are members of this bargaining unit will be responsible for responding to calls for service when all of their subordinates are busy handling calls. If the Patrol Commander on duty is the only commander on duty he/she shall secure the scene and wait for a deputy to respond to handle this call, only if handling the call will take a prolonged period of time. Calls for service will be left pending by a commander if the nature of the call is a non-emergency or if it will not jeopardize the safety of the citizens of Santa Fe County.

Section 10: Job Assignments

- A. Vacancies in specialized job assignments shall be advertised by Human Resources and put in the Office Special Orders for at least one calendar week. Bargaining unit employees interested in transferring to these positions should apply by way of written memorandum. Once the application deadline has passed, Human Resources will screen material received and establish a list of qualified applicants. These lists shall be maintained by the Human Resources Division and shall be valid for a period of 90 days from the date of publication. Additional vacancies within the same job assignment shall be filled from the valid published list of qualified applicants.

Assignment of bargaining unit members to specialized job assignments shall be contingent upon manpower availability. The Sheriff may choose from the top three qualified candidates.

- B. The County will maintain a tuition assistance program to help bargaining unit employees enhance their qualifications for specialized job assignments through formalized educational programs.
- C. Bargaining unit members wishing to transfer to specialized job assignments should contact the Unit Commander to determine the skills and training they need to become qualified to fill these positions.
- D. Bargaining unit members may be eligible to receive advanced specialized training through the Community Support Services to help prepare them for specialized assignments. Interested bargaining unit employees should apply via memorandum through their chain of command to the Sheriff.
- E. Bargaining unit employees will be given the opportunity to obtain career counseling to assist them in formulating career goals and developing an individualized plan for achieving those goals through the Division Commander of Planning and Training.
- F. Specialized job assignments and additional duty assignments are not considered a promotion, and transfers from a specialized assignment shall not be considered a demotion. The Sheriff may not remove a bargaining unit employee without reason. Specialty pay is not considered a property right due to the fact that the bargaining unit employee is given extra duty assignments. Once those extra duty assignments are taken away, the specialized pay attached to those assignments should be removed.

Section 11: Seniority

- A. While seniority is a factor to be considered in assignment of personnel, it is of secondary importance to the effective operation of the Sheriff's Office as a whole or a division, section, or unit therein. Further, it should be secondary to the need for bargaining unit employees to work together in a spirit of harmony and cooperation.
- B. It is not always possible to make duty assignments and day assignment selection on a straight seniority basis. Therefore, the Sheriff retains the authority to assign personnel in any manner deemed necessary. This method will assure that the best interest of the Office has been taken into consideration and shall further provide that the bargaining unit employee selected for each assignment possesses the minimum qualifications necessary for the assignment.
- C. Office seniority is the relative position of a Deputy to all other Deputies within the Department. Seniority in rank is the position of Department personnel in relationship to other personnel of the same rank or position.
- D. When a question of Deputy II and III seniority arises with shift bidding only, Deputy II and Deputy III classifications will be evenly scheduled to each shift to ensure adequate experience on each shift. Such seniority shall then be determined by:
 - 1. Continuous service with the Department; and
 - 2. If all factors are equal, POPE score will prevail

E. Continuous Service in Rank

1. Deputies of the same rank will take precedence according to the date of their appointment to their respective rank.
2. Where two or more Deputies are working together on the same assignment and are of equal rank, such seniority shall not be exercised except in an emergency necessitating it, unless by competent authority on Deputy has been designated as in command.

F. Continuous Service in Rank

Deputies of the same rank and same date of appointment to their rank will rank according to their date of appointment to the Department with the Deputy having the longest continuous service taking precedence.

Section 12: Continuous Service

Continuous Service will be as follows:

- A. Leaves of absences with pay, and approved leaves of absence of 30 days or less without pay, will not interrupt continuous service. If a bargaining unit employee is granted leave without pay for more than 30 days, the temporary separation will not constitute a break in service except that the period on leave without pay status will not be counted as creditable service. If a bargaining unit employee separates from service at his/her own initiative and is reemployed within 31 to 90 days, the separation will constitute a break in service; however the individual may request to be re-hired without going through the entire recruitment process and the decision to re-hire and in what capacity is at the discretion of the Sheriff or his or her designee. A bargaining unit employee who is reemployed in accordance with this provision will not have his/her sick leave balance as of his/her termination date reinstated.

Section 13: Layoff and Recall

- A. When it is necessary to have a reduction in work force, layoffs will be made in consideration of the following factors:
 1. Seniority;
 2. Employee suitability for jobs remaining;
 3. Ability to perform available work; and
 4. Past job performance
- B. Bargaining unit employees will receive 14 calendar days notice prior to being laid off.

- C. Recall of laid off bargaining unit employees will be governed in accordance with the following provisions during the term of this Agreement:
 - 1. Any full-time or part-time classified bargaining unit employee who is laid off and returns within 6 months of layoff shall not have to serve a probationary period if the bargaining unit employee returns to their previous position.
 - 2. A laid-off returning bargaining unit employee will be credited for all unused sick leave remaining at the time of layoff if he/she returns within the 6-month period.
- D. Layoff privileges end:
 - 1. 6 months after the effective layoff date;
 - 2. After a bargaining unit employee has refused employment in a position for which he/she is qualified;
 - 3. When the laid-off bargaining unit employee accepts another position within the County shall serve the required probationary period. A laid-off bargaining unit employee accepting another position within the County shall serve the required probationary period.

Section 14: Drug and Alcohol Testing

Refer to Santa Fe County Human Resources Handbook and Sheriff's Office Policies.

Section 15: Outside Employment

- A. No outside employment may rely on the bargaining unit employee's commission or the use of department badge or equipment. No outside employment may involve work at a liquor establishment.
- B. Department sponsored overtime is not considered outside employment.
- C. Bargaining unit employees should consider their employment with the County as their primary employment. Bargaining unit employees wishing to obtain outside employment shall file a request for approval by completing an Outside Employment Request Form with the Sheriff and shall include a description of the employment, location, and hours that will be worked. Outside employment is subject to the approval of the Sheriff and HR Director, who will consider, among other things, hours of work, conflict of interest, discredit upon the County, and the safety of the employee, fellow employees, and the public. Requests for outside employment must be filed annually for approval.

Section 16: Vacation Scheduling

- A. Bargaining unit employees transferring from one division or section to another who have scheduled vacation shall be permitted to take that vacation as scheduled, except under emergency conditions as determined by the Sheriff or his designee.
- B. In assignment of vacation time the County shall consider the workload and staffing levels within the work unit during the requested time period.
- C. The supervisor receiving the leave request will put date and time received along with their initials on the form immediately.
- D. Vacation scheduling will be considered on a first come first serve basis and granted per approval of a leave request form for 3 days or less provided a request is made orally or in writing at least 1 day in advance.
- E. A Deputy requesting use of vacation time in excess of 3 days shall notify his/her immediate supervisor at least 2 weeks prior to the starting date of the request.

Section 17: Work Week

- A. The pay period consists of 2 workweeks.
- B. All NMCP SO/SFCDSA bargaining unit employees assigned to the patrol division will be paid for their meal breaks. If a bargaining unit employee is recalled to service during a paid meal break, or cannot be relieved for a meal break due to work requirements, the bargaining unit employee will not receive additional compensation.

Section 18: Issued Articles

- A. The County shall provide all bargaining unit employees within the scope of this Agreement the following equipment unless this equipment was provided during the probationary period:
 - 1. One Santa Fe County Sheriff's Badge;
 - 2. One Santa Fe County Sheriff's hat badge;
 - 3. One ballistic vest meeting National Institute of Justice threat level III-A standard or equivalent. Use of this article is mandatory;
 - 4. One Sam Browne belt, one handcuff case, one cartridge carrier, one baton holder, one sidearm, one sidearm holster, one pair of handcuffs and one flashlight
 - 5. The Office will provide one (1) box of training ammunition per year, for any department weapon, for those employees that are required to carry a weapon, for the purposes of training.

- B. The bargaining unit employee will be responsible for care, maintenance, warranty, and possession of all issued and assigned articles. Upon cessation of employment with the Sheriff's Office, the bargaining unit employee will be required to return all issued articles in serviceable condition. Failure to return County assigned equipment (in serviceable condition excluding normal wear) will cause the County to deduct their replacement value from the bargaining unit employee's final paycheck. This equipment must be turned in within 2 business days following the bargaining unit employee's termination date.
- C. Should the bargaining unit employee wish to substitute privately owned articles in lieu of issued articles, the privately owned articles must meet the specifications of the issued articles, and their substitution must be authorized by the Sheriff.
- D. The Sheriff shall determine which bargaining unit employees of the Santa Fe County Sheriff's Office shall be authorized to wear the badges identified in items 1 and 2 above, and/or the official Santa Fe County Sheriff's Office shoulder patch.
- E. The following items may be purchased via Santa Fe County issued Purchase Order and charged against the annual clothing allowance:
 - 1. Name Plate;
 - 2. SFSO Collar Insignia;
 - 3. Required rank insignia to include brass or cloth.
- F. Deputies will be responsible for keeping all issued items secured in a locked area.

Section 19: Uniforms and Equipment

- A. The County will bear the cost of any mandatory change in uniforms to the following limits for each mandatory change:

Shirts	-	three (3)
Trousers	-	three (3)
Dress hats	-	one (1)
Jackets	-	one (1)
Insignia	-	sufficient for 3 uniforms
Footwear	-	one (1) pair
Tie	-	one (1)
Name Tag	-	one (1)
- B. This section shall not apply to uniform changes following a Deputy's promotion or demotion. The County will also bear the cost of initial issue for any equipment, unique to law enforcement, which is required by the Sheriff for a Deputy to complete his/her duty assignment.

Section 20: Clothing Allowance

- A. Bargaining unit employees will receive a total of \$590.00 per year for the purchase of job related clothing and equipment approved by the Sheriff or designee. \$425.00 will be given to bargaining unit employees via a purchase order. One check in the amount of \$165.00, less mandatory deductions will be given to Deputies the last pay day in the month of November.

- B. Any purchases made outside of the official Sheriff's uniform will be considered a taxable fringe benefit.
- C. Any bargaining unit employee found to be in violation of the dress standards as published in Section 25 of this Agreement may be progressively disciplined, up to and including termination, for not maintaining those standards.

Section 21: Grooming and Dress Standards

- B. All formal evaluations shall be completed by the immediate supervisor (with the rank of Sergeant or above, unless a corporal is the immediate unit commander) of the bargaining unit employee being evaluated for the majority of their work shifts during the evaluation period, whenever practical.
- C. Bargaining unit employees shall be given the opportunity to read and sign disciplinary actions, performance evaluations, letters or reprimand, instruction and caution, and all documents critical of the bargaining unit employee's job performance that are placed in his/her Human Resources File.
- D. Bargaining unit employees shall be allowed to review their Human Resources File upon reasonable advance request. Deputies may submit a written response to an adverse comment in their Human Resources File within 30 days. Human Resource records may be disclosed in accordance with the Inspection of Public Records Act.
- E. Maintenance of Human Resources files shall be conducted in accordance with the following provisions:
 - 1. A written reprimand shall not be used for purposes of discipline 12 months after the Deputy received the reprimand, provided the Bargaining Unit Employee has not received another written reprimand or any other disciplinary action during the 12 month period following the written reprimand. If the employee received another reprimand or other progressive disciplinary action during the 12 month period following the written reprimand, the written reprimand will be used for purposes of progressive discipline.
 - 2. A suspension shall not be used for purposes of discipline four (4) years after the effective date of the suspension, provided that the bargaining unit employee has not received another suspension or other disciplinary action during the original 4 year period. If a bargaining unit employee receives a subsequent disciplinary action during the original 4 year time frame, the

original and subsequent disciplinary actions shall be used for the purposes of discipline until the bargaining unit employee has completed four (4) consecutive years receiving no suspensions or other disciplinary action.

Section 23: Extra Duty Assignments

- A. The Office will post all extra duty assignments in the Office Special Orders with the exception of mandated time sensitive or operation sensitive assignments. Supervisors will brief bargaining unit deputies concerning all available extra duty assignments and bargaining unit deputies will be afforded an opportunity to sign up for extra duty assignments on a first come, first served basis.

- A. The Internal Affairs Unit is established as a staff investigative body, responsible to the Sheriff, for the purpose of conducting administrative investigations with four major purposes:
 1. Assist in maintaining Office integrity;
 2. Identify bargaining unit employee(s) guilty of misconduct so that they may be retrained and corrected, or if unacceptable for further public service, be removed through proper administrative action;

3. Protect innocent bargaining unit employee(s);
 4. Enable the Legal Advisor to render professional legal services to the Sheriff or his representative.
- B. This section establishes the guidelines for conduct of Internal Affairs interviews and the official relationship of the Internal Affairs Unit with all organized subdivisions of the Office. Discipline is a function of command. The existence of an Internal Affairs Unit does not lessen a supervisor's authority or responsibility. In an effort to ensure that interviews are conducted in a manner that is conducive to good order and discipline, the following guidelines are promulgated:
1. The interview of a bargaining unit employee shall be at a reasonable hour, preferably when the bargaining unit employee is on-duty, unless the purpose of the interview dictates otherwise. When practical, interviews should be scheduled at a reasonable time convenient to both parties. Interviews and investigations shall be concluded with no unreasonable delay. The bargaining unit employee under investigation must, at the time of the interview, be informed of the name and rank of the bargaining unit employee in charge of the investigation, the name and rank of the bargaining unit employee who will be conducting the interview, and the names of all persons present during the interview.
 - a. For the purposes of this section, any time a bargaining unit employee is in a paid status, he is considered on-duty. Bargaining unit employees shall be compensated during time spent being interviewed and interviews shall be conducted in accordance with the Peace Officer's Employer-Employee Relations Act of New Mexico. The timing of interviews for critical incidents will be determined by the investigator on a case by case basis.
 2. Interviews shall take place at a location designated by the investigating bargaining unit employee. Usually it will be in the offices of the Internal Affairs Unit.
 3. When a bargaining unit employee is directed to leave his/her post and report for an interview, the Investigator shall promptly notify the Shift Commander or the bargaining unit employee's immediate supervisor of the bargaining unit employee's whereabouts.
 4. The bargaining unit employee shall be informed of the nature of the investigation before any interview commences. The address of the complainants and/or witnesses need not be disclosed, however, sufficient information to reasonably apprise a bargaining unit employee of the allegations shall be provided. If it is known that the bargaining unit employee being interviewed is a witness only, he/she should be so informed at the initial contact. If the bargaining unit employee is not informed of the nature of the investigation, he/she shall not be required to answer any questions until he/she is informed.
 5. The bargaining unit employee shall not be subjected to any offensive language nor shall any member of the Internal Affairs Unit threaten him/her with transfer, dismissal or other disciplinary punishment. No promises of reward shall be made as an inducement to answering questions.
 6. Interviews shall be limited in scope to activities, circumstances, events, conduct or acts that pertain to the incident that is the subject of the investigation. Nothing in this section shall prohibit questioning the bargaining unit employee about information that is developed during the course of the interview.

7. The complete interview of the bargaining unit employee shall be recorded and shall be transcribed. There will be no "off the record" questions or statements. All recesses called during the questioning shall be noted on the record. The tape recording shall be preserved and may be introduced as part of the Grievance.
 8. If the bargaining unit employee is under arrest or is likely to be, he/she shall be given his/her rights pursuant to the Miranda decision.
 9. In all administrative cases the law imposes no obligation, legal or otherwise, on the Office to provide an opportunity for a bargaining unit employee to consult with counsel or a personal representative when questioned by a supervisor or an Internal Affairs Investigator about the bargaining unit employee's employment or a matter relevant to his/her continuing fitness for Law Enforcement service. Nevertheless, in the interest of maintaining the usually high morale of the force, the Office shall afford an opportunity for a bargaining unit employee, if he/she so requests, to consult with counsel or a personal representative before being questioned, provided the interrogation is not delayed by more than 2 hours. The Internal Affairs Investigator may extend this for an additional hour. Counsel, if available, or a personal representative of the bargaining unit employee's choice, may be present during the interrogation.
 10. In the event it is determined that the complainant has falsified his/her statements, the Office may take whatever action it deems appropriate and the bargaining unit employee may, at his/her discretion, pursue whatever legal remedies are available.
 11. Any bargaining unit employee found to be knowingly withholding evidence or information or providing false testimony pertaining to an investigation will be subject to disciplinary action up to termination.
- C. The Internal Affairs Unit, when directed by the Sheriff or his designee, shall conduct administrative investigations and make appropriate reports of cases involving:
1. Allegations or complaints of misconduct of Office personnel which, if found to be true, would likely result in disciplinary or criminal proceedings against the offending parties;
 2. Allegations of misconduct or serious violations of the Standard Operating Procedures;
 3. Situations where a bargaining unit employee has been killed or seriously injured;

compliance with a lawful court order. An individual bargaining unit employee shall have the right to review his/her own Internal Affairs files along with his/her personal representative, if requested in writing after the completion of the investigation.

E. Duties of Office Personnel.

1. Sworn supervisors will initiate investigations of breaches of conduct of personnel under their supervision when a suspected infraction is observed or a complaint or allegation is tendered to them regardless of the source of the complaint or allegation. Supervisors who fail to initiate an investigation or take appropriate action when infractions are observed by or reported to them will be subject to disciplinary action up to termination.
2. Alleged or suspected serious violations of the law, rules and regulations and/or misconduct by bargaining unit employees shall be reported immediately in writing to the on-duty commander after receiving information of such misconduct. In all serious situations involving Office personnel, the supervisor shall immediately notify Internal Affairs. This obligation is waived in those cases where a supervisor has direct knowledge that a written report of the same incident or allegation has already been submitted. This waiver does not relieve a supervisor of the requirement to submit any other reports or information called for in the course of an investigation.
3. The following categories of offenses/allegations need not be reported to Internal Affairs by the appropriate supervisor: (The minor incidents hereinafter set forth are not intended to be all inclusive.)
 - a. Tardiness in reporting for duty;

F. Internal Affairs activities are limited to investigations only; recommendations are the prerogative of the supervisor.

G. Following the completion of a complaint investigation, the Sheriff will review the case and may consider the comments or recommendations of the Division Commanders and supervisors under his direction.

H. The Sheriff, after reviewing the complete investigation, will classify the case as one of the following:

1. Sustained – the allegation is supported by sufficient proof.
2. Non-sustained – the evidence is insufficient to prove or disprove the allegation.

3. Unfounded – no basis for the complaint.
 4. Exonerated – the incident complained of was lawful or proper.
- I. Bargaining unit employees will be notified by the Internal Affairs Unit of findings within 10 days after final disposition of their cases.
 - J. To avoid conflict or possible interference it is vital that members of the Internal Affairs Unit and other bargaining unit employees involved in investigations that are of mutual concern understand their official relationships.
 1. Internal Affairs investigations are aimed primarily at determining the facts and circumstances relating to a bargaining unit employee's conduct. Internal Affairs may call upon other units of the Office for support.
 2. The activities of the Internal Affairs Unit and those of Criminal Investigators will, of necessity, overlap in many areas. In those instances, the bargaining unit employees involved should work in harmony in the best interest of determining the truth.
 - K. When an Internal Affairs Unit investigation indicates a bargaining unit employee is likely to be charged with the commission of a crime, the Investigators will continue only in accordance with the Constitutional safeguards normally employed for all criminal suspects.
 - L. The Sheriff can, by written directive, order any bargaining unit employee to submit to any deception detecting examination or technique, including but not limited to the following types: mechanical, medical or psychological.

When a bargaining unit employee is under investigation by the Office for alleged actions that could result in administrative sanctions being levied, the provisions, rights and remedies of NMSA 1978, Section 29-14-1 et seq. shall apply. In addition, the following provisions are agreed to:

1. Examiner opinions constitute but a single element of all information that becomes available during a complete and thorough investigation.

- M. When the investigation results in Office charges being filed against a bargaining unit employee, that bargaining unit employee upon request will be provided access to all reports of the investigation which will contain all known material facts on the matter including any tape recordings.

- N. Each level of command and/or supervision will have a minimum of 5 working days to review and make comments and recommendations on any disciplinary action once the investigation is completed.

- D. Bargaining unit employees will cooperate in all investigations conducted by or on behalf of the Sheriff. Failure to cooperate may be the basis for disciplinary action up to and including termination. Providing false testimony in a grievance hearing or an internal investigation is considered failure to cooperate.
- E. Prior to the imposition of discipline other than a verbal or written reprimand or warning, the bargaining unit employee will be advised of the charges against him/her and given an opportunity to respond. The response may be verbal or in writing. When responding to allegations, a representative of his/her choosing may accompany the bargaining unit employee. The representative may present the bargaining unit employee's side of the issue or assist the bargaining unit employee in doing so. The bargaining unit employee may also choose to present his/her side of the issue without representation. The bargaining unit employee will be allowed up to 2 hours to get his/her representative to a designated area.

- G. NMSA 1978, Sections 29-14-1 to 29-14-11 (as amended), shall be binding upon all parties.
- H. When a bargaining unit employee is charged with a criminal offense, a judicial determination of acquittal or not guilty, shall not bar enforcement of this Agreement or of the Office's Standard Operating Procedures if they are otherwise applicable to the bargaining unit employee's action.

At the hearing, the parties may offer evidence that is relevant to any issue being considered by the arbitrator. The arbitrator shall be the judge of the relevancy of the evidence offered. Legal rules of evidence shall not strictly apply.
- F. The cost of services of the Arbitrator shall be shared equally by the parties. Each party will be responsible for compensating its own witnesses and representatives. The employee has an obligation to mitigate his/her damages. The arbitrator may not award attorney's fees, punitive damages, general compensatory damages, or costs.
- I. The Arbitration Award shall be considered an award issued under the provisions of the State's Uniform Arbitration Act.
