General Obligation Bond Election
Tuesday, November 3, 2020

Community Members,

I am writing on behalf of the Santa Fe County Board of County Commissioners to provide voters with information regarding the general obligation bond proposals in the upcoming election. On July 14, 2020, the Board adopted Resolution 2020-57 which places three Bond Questions on the election ballot for Santa Fe County voters to consider as part of the November 3, 2020, general election.

The three Bond Questions ask County voters if they would like to fund up to \$20 million in capital infrastructure projects in the following areas:

- Open Space, Trails and Parks
- Roads
- Water and Wastewater

The general obligation bond projects are selected to benefit a broad range of community needs and are leveraged with additional County funds to ensure successful implementation.

If voters approve the \$20 million in bond questions, **property owners will not see any increase to their property taxes.**

The Board respectfully encourages all Santa Fe County residents to educate themselves about the purpose and content of the Bond Election and be sure to vote on November 3rd. If you have any questions regarding these items, the election or the County in general, please contact the County Manager's Office at (505)982-6200.

Sincerely,

Henry P. Roybal,
Chair, Board of County Board of County Commission
